

## **Data Privacy Policy**

### **General information**

We, TecAlliance GmbH, based in Ismaning, Germany, take the protection of your personal data very seriously and would like you to feel comfortable using our App . Protecting your privacy when processing personal data is a matter of great concern to us; a concern that we take into account in our business processes. We process data that is collected in accordance with the data protection laws of the Federal Republic of Germany upon your use of our App .

### **Collecting and processing personal data**

Personal data shall only be processed in keeping with the applicable statutory provisions. This means that TecAlliance GmbH shall be permitted to collect, process and use your personal data (e.g. name, address, phone number or e-mail address) insofar as such is necessary for establishing, formulating and altering the contractual relationship with regard to the use of the App and the services and products offered.

Each access to our App is recorded in log files for a limited period of time as required by law. The concerns your IP address and the date and duration of the visit.

This data shall be used solely for in-house purposes, i.e. for statistical purposes, and to ensure the stability and operational safety of the system.

TecAlliance GmbH shall not collect any personal data through this App, insofar as you have not voluntarily disclosed such data to us and have given your consent at the appropriate place in the menu.

This personal data can be used to contact you by way of electronic mail (e-mail) . The collected data shall not be forwarded to third parties (subject to a court order in the course of a criminal investigation).

Of course you can withdraw your consent, either fully or partially, at any time with effect for the future simply by sending an e-mail to TecAlliance GmbH at [datenschutz@tecalliance.net](mailto:datenschutz@tecalliance.net). We shall then delete the data concerned unless agreed otherwise with you.

### **Use of cookies**

Cookies are data left by web servers on users' computers for tracking purposes. We use cookies to make it easier for users to repeatedly access and use our App . They do not cause any damage to computer systems and data. Most browsers are able to prevent cookies from being received, delete existing cookies or warn the user when a cookie is received.

### **Data security**

Your data is hosted with a service provider. Both TecAlliance GmbH and the provider implement technical and organisational security measures to protect your collected data from accidental or intentional manipulation, loss, destruction or from access by unauthorised third parties. Our security measures are constantly revised in line with technological advancements.

### **Right to information**

Upon request, we shall inform you in accordance with applicable law if we are storing any data about your person and, if so, the specific data concerned. Our contact details:
